

# HIMALAYAN PINK ROCK SALT LICK BLOCKS FOR LIVESTOCK

NATURALLY SOURCED • PERFORMANCE PROVEN • EXPORT READY

100% NATURAL ROCK SALT WITH MORE THAN 84 TRACE MINERALS.

## YOUR RELIABLE **HIMALAYAN** SALT LICK SUPPLIER

RAN Enterprises is a vertically integrated manufacturer and exporter of Himalayan rock salt products, supplying consistent, high-quality salt and mineral lick blocks to livestock and farm supply markets in the USA, Canada, and Pakistan.

Our products are sourced directly from authentic Himalayan salt mines in Pakistan and processed using modern food-grade stainless-steel equipment, ensuring purity, consistency, and dependable performance batch after batch.

With an established distribution footprint across the US East Coast, serving nearly 4,000 retail outlets, RAN Enterprises is a trusted long-term supply partner for importers, wholesalers, and private-label brands.

## DESIGNED FOR **AMERICAN** LIVESTOCK OPERATIONS

Our compressed Himalayan salt and mineral lick blocks are engineered to meet the needs of commercial ranches, dairy farms, feedlots, and hobby farms—delivering essential minerals through animals' natural licking behavior, with no waste and no management complexity.

## WHY CHOOSE **RAN ENTERPRISES** LICK SALT

- ★ Consistent quality and mineral composition
- ★ Long-lasting, weather-resistant block hardness
- ★ Self-regulated intake—no risk of overdosing
- ★ Clean-label, natural mineral solutions
- ★ Reliable export logistics and bulk supply capability
- ★ Private-label and custom formulation support

## Himalyx® Pure

### PURE HIMALAYAN ROCK SALT LICK

Straightforward, high-purity salt supplementation you can trust

#### PRIMARY USE:

Essential sodium supplementation with naturally occurring trace minerals

#### KEY SELLING POINTS:

- Sourced from foothills of Himalayan mountains
- High-density, slow-dissolving hardness
- Minimal wastage and extended field life
- Consistent quality for repeat purchasing

#### SUITABLE FOR:

Cattle, buffalo, horses, sheep, goats, camels, and game animals

#### TYPICAL COMPOSITION:

- Sodium Chloride (NaCl): ≥ 98%
- Sodium (Na): 39%

#### AVAILABLE SIZES:

2 lb | 5 lb | 8 lb

## Garlyx® Natural

### COMPRESSED GARLIC-ENRICHED HIMALAYAN ROCK SALT LICK BLOCKS

A natural functional compressed lick block designed for performance-focused livestock producers

#### PRIMARY USE:

Daily mineral supplementation with natural garlic functionality

#### TYPICAL COMPOSITION:

- Sodium Chloride (NaCl): 95%
- Dehydrated Garlic Powder: 5% (customizable)

#### PERFORMANCE BENEFITS:

- Supports natural insect and parasite deterrence
- Enhances palatability and consistent lick intake
- Supports digestive health and rumen efficiency
- Helps maintain animal comfort during hot, humid, or fly-pressure seasons

#### WHY CHOOSE GARLYX® NATURAL:

- Clean-label, plant-based formulation
- No antibiotics, no synthetic growth promoters
- Ideal for natural, organic-leaning, and pasture-based operations

#### SUITABLE FOR:

Cattle, buffalo, horses, sheep, goats, camels, & game animals

#### AVAILABLE SIZES:

2 lb | 5 lb | 8 lb

## Himalyx® Natural

### COMPRESSED HIMALAYAN ROCK SALT LICK BLOCKS

A dependable, all-purpose compressed lick block for everyday livestock mineral needs

#### PRIMARY USE:

Daily sodium and trace mineral supplementation

#### KEY ADVANTAGES:

- Natural Himalayan salt source
- Long-lasting hardness for outdoor use
- Works equally well in pasture, paddock, and barn environments

#### SUITABLE FOR:

Cattle, buffalo, horses, sheep, goats, camels, and game animals

#### AVAILABLE SIZES:

2 lb | 5 lb | 8 lb

## Fine Grain Salt with Garlic

A finely milled, unrefined Himalayan mineral fine grain salt mixed with garlic powder is designed for daily mineral and sodium supplementation in livestock and animal nutrition programs. Fine Grain® delivers a uniform particle size for excellent mixability in fodder, feed premixes, mineral blends, lick formulations, and veterinary supplements.

#### PRIMARY USE:

Daily mineral and electrolyte support

#### TYPICAL COMPOSITION:

- Sodium Chloride (NaCl): ≥ 93%
- Naturally occurring trace minerals
- Supplemented with essential minerals
- No iodine

#### KEY ADVANTAGES:

- Consistent fine powder for uniform distribution
- Clean-label, natural mineral source
- Suitable for custom mineral and vitamin fortification

#### AVAILABLE SIZES:

25 lb | 50 lb | Bulk

## QUALITY YOU CAN TRUST

- ★ Controlled manufacturing and quality assurance
- ★ Nutrition-guided formulations
- ★ Consistent block density and mineral distribution
- ★ Lot-to-lot reliability for long-term programs

## EXPORT & DISTRIBUTION READY

- ★ Export-grade palletized packaging
- ★ Bulk container and mixed-SKU loading options
- ★ Private labeling and branding support with MOQ
- ★ Reliable supply for distributors, NGOs, and large farm programs

## PARTNER WITH RAN ENTERPRISES

Natural Minerals. Proven Performance. Trusted Global Supply.
